

April 2017 Newsletter MundsPark.com

Dear MundsPark.com followers,

We are very excited to launch our website MundsPark.com! Here is a little history on our website family team: Our family's journey to Munds Park came after the Rodeo Chediski fire in June 2002. Before the fire we enjoyed the pines in the White Mountains in the community of Heber/Overgaard. Our place in the mountains became one of the tragedies of the fire. One thing we discovered is that you can re-build, but the beautiful landscape is charred and destroyed and will take many, many years to rejuvenate. So we started our search for another place to get out of the heat of Phoenix and enjoy the pines again, and with luck came upon Munds Park! We now have two family cabins in Munds Park, where our family members enjoy heading up in the summer and winter months to enjoy all this beautiful area has to offer. Pinewood is Perfect!!!

Munds Park (Pinewood) is the best little community nestled in the Ponderosa pines off the I-17. There are plenty of outdoor opportunities year round in this beautiful area, all seasons of the year! Hiking Crystal Point, mountain biking, ATV's, fishing, camping and golfing are some of the popular outdoor activities of the area. The Arizona Trail passes between Munds Park and Mormon Lake and is a beautiful trek through the forest. We are excited to be part of this gem in the mountains!

Our May newsletter will be our breakout summer edition, featuring lots of fun activities in Munds Park and the surrounding areas of Flagstaff, Williams, Mormon Lake and Sedona!

If you would like to give any input on what you would like featured in our newsletter, feel free to send us an email at MundsPark1876@gmail.com.

Best Wishes for a Great Summer!
