# MundsPark.com

Welcome to May in the mountains! Many of us will be starting to open up our cabins for the summer and the Munds Park Community will be getting ready for it's summer residents and visitors. Our May newsletter will come in four parts each featuring a different area and attractions near Munds Park.

Our first featured city is Williams, AZ, founded in 1881, named after "Old Bill Williams" a famous trapper, scout and mountain man is located in the heart of the Kaibab National Forest at an elevation of 6,770 feet. It is located on Interstate 40 between Flagstaff and Kingman.

Along with seven area fishing lakes, hiking trails up Bill Williams Mountain, alpine ski area, cross country ski trails, abundance of wildlife and its Historic Downtown District, Williams also has many other attractions. We have four we are going to highlight.

**Grand Canyon Railway & Hotel:** Take a train ride to the Grand Canyon in one of their restored railroad cars and hear folklore and tales from their crew. Authentic characters and musicians entertain with an Old West flare. Watch the beautiful, majestic Grand Canyon National Park and possible wildlife on your journey. **Grand Canyon Deer Farm:** This Deer Farm is an opportunity to get up close and personal to these beautiful creatures and is a exciting and rare opportunity. These deer are raised from babies allowing for intimate human contact. [www.deerfarm.com](http://www.deerfarm.com)

**Bearizona Wildlife Park:** Visitors will drive through 3 miles plus of Ponderosa Pine viewing North American animals in natural habitats. There is also a beautiful 20 acre walk-thru area, more of a "zoo" setting. Don't miss Soar It - Birds of Prey when you visit. [www.bearizona.com](http://www.bearizona.com)

**Twisters:** A blast from the past 1950's cafe, soda fountain and bar, serving hand spun malts & banana splits. Burgers and steaks are world famous. The catfish is hand breaded and delicious. [www.route66place.com](http://www.route66place.com)
